

UNITED STATES DISTRICT COURT
DISTRICT OF NEVADA

ANNIVERSARY MINING CLAIMS, L.L.C.,

Plaintiff,

vs.

UNITED STATES OF AMERICA, *et al.*,

Defendants.

Case No. 2:16-cv-00932-JCM-GWF

ORDER

This matter is before the Court on the parties' Proposed Discovery Plan and Scheduling Order (ECF No. 23), filed on August 12, 2016. The parties request a 180-day discovery period, which is to commence following the court's ruling on Defendants' motion to dismiss. The parties are in effect requesting a stay of discovery pending Defendants' motion to dismiss. However, the parties have not set forth the requisite good cause to support a stay of discovery under the case law in this district. Accordingly,

IT IS HEREBY ORDERED that the parties' Proposed Discovery Plan and Scheduling Order (ECF No. 23) is **denied**. The parties may submit a revised proposed discovery plan and scheduling order that sets forth specific dates for discovery and all related deadlines. If the parties desire to stay discovery pending a decision on Defendants' motion to dismiss, they may file a motion to stay discovery supported by good cause.

DATED this 15th day of August, 2016.

 GEORGE FOLEY, JR.
 United States Magistrate Judge
